

The natural
allograft that
complements
the beauty of
your work.

BellaDerm™

Natural. Beauty.

BellaDerm is a natural allograft option
for your surgical procedures.

Developed by MTF, BellaDerm is
ready-to-use and easy-to-handle, making
it an ideal choice for surgeons. And since
its unique acellular matrix is derived from
living donated human skin, your patients
will appreciate the generous gesture...
and the naturally beautiful results.

Consider the benefits:

Handling and Feel
